Calculation Assumptions:

- 1) K-12 VendPrint cost \$1295.00 first school (Discounts are available for multiple school purchases)
- 2) Each student prints 2 pages per school day (180 days)
- 3) Average cost per printed page is \$.05 (includes paper, toner, printer wear/tear, employee time)
- 4) Reduction in print volume is 30% (This is a minimum reduction one could expect)

After the first year, VendPrint annual licensing fees of \$259.00 make K-12 VendPrint even more affordable. This fee also includes technical support and product updates.
